

## **ATL Community Day on 9 May,2023**

DAV Public School kailash hills celebrated ATL Community Day on 9 May,2023.As we are the 'Lead Collaborator School' , we invited students from the schools allotted under ' Hubs of Learning ' by CBSE to us and students from neighbouring non ATL schools also.The event started with the Principal ,Mrs Ira Khanna welcoming all the participants and encouraging them to tinker and learn and create something new and unique.Students were shown PPTs on Design thinking and 3- D printers.Usage of apps like Tinkercad and demonstration of the working of 3 D printers was explained to the creative and curious minds.Students participated in various activities like ' Balloon train' and ' I can make the electrons move!!',' "Stepping into the 3rd dimension",' Newton's third law of motion 'etc.

The event aimed at providing first hand experience of the skills and techniques intrinsic to innovation to the children who do not have access to participation in the journey of innovation and creativity.

The event was celebrated with great enthusiasm focusing on experiential learning,team work and creativity.The students of Hub schools had an enthralling experience and requested the Host school to invite them again. With Shuchi Dixit Poonam Sood Grover.
