Rotary Club of Delhi Central enlisted our school as Pilot school to carry out the TEACH programme of the Deptt.Of Education, Govt. of NCT of Delhi encompassing the five facets of T-E-A-C-H programme, T-Teacher Empowerment, E-for E-learning, A-for Adult literacy, C-for child development and H-for Happy Schools. Teachers and Fifty volunteer students of our school were trained by Rotary Club and thereafter they devoted their summer vacation to visiting Ram Mandir Jhuggi Cluster on One to One basis in order for each one to reach one and then to teach that one adopted student, irrespective of age, using specially designed literacy kits and power point presentations. It was a most enriching and great learning experience for both the teacher and the taught.
