

CLOCKS AND CURRENCIES OF THE WORLD

To teach the concept of currency of different countries, value of money an ISA activity "clocks and currencies of the world" was planned for the junior classes. Students of preschool and preprimary traced Indian one rupee coins and learnt to count through them. Classes 1 and 2 traced Indian coins and did worksheets on matching similar denominations of different currencies. Class 3 students performed on the stage by dressing up and speaking about different currencies of the world ,that of India ,Malaysia, Kuwait ,USA ,UK, France and Bangladesh.
