

SOCIAL PROJECTS

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. These shapes are primarily located on the right side and bottom of the frame, creating a modern, layered effect against the white background.

Blood Donation Camp

Eye Check Up Camp

First Aid Training by Dr. Frank Armstrong

Deworming Camp

Rain Water Harvesting

- ▶ Rain water harvesting project was completed.
- ▶ This project not only helped in conservation of water and rejuvenation of it's quality, but also helped educate our students about its importance.
- ▶ The science and social science teachers explained the process in detail to the children.

MASK DISTRIBUTION

“ One Person can make a difference and everyone should try!”
