

'Environmental Stewardship'

During the class assembly on 'Environmental Stewardship' by students of Class VI B, held to spread awareness about Mission LiFE by the Government of India, the following events unfolded:

The class teacher commenced the assembly with a warm introduction, setting the tone for the program. This was followed by inspiring thoughts in English and Hindi, motivating everyone to act responsibly towards the environment. An evocative English poem and a compelling English speech deepened the message of stewardship. A melodious Hindi song resonated with the theme, and an engaging quiz tested students' knowledge on environmental topics. The assembly also featured a vibrant dance performance celebrating nature. School Principal, Ms Gargi Chhabra, appreciated the endeavours of the Students and Congratulated on the successful completion of the Assembly.
